Summary

Frontend Developer with expertise in HTML5, CSS3, JavaScript, and Bootstrap. I have a track record of developing responsive, mobile, first, and cross, browser compatible web applications. My competencies include UI development, web accessibility, performance optimization, and Git/GitHub for version control. I am deeply committed to designing clean, scalable, and user, centered interfaces even under tight deadlines.

Skills

Frontend Technologies: HTML5, CSS3, JavaScript

Frameworks & Libraries: Bootstrap

Version Control & Tools: Git, GitHub

Web Development Skills: Responsive Design, Cross-Browser Compatibility, UI Development, Performance Optimization

Experience

Frontend Developer Intern

January 2026 – February 2026

CodeAlpha (Remote)

Tools Used: HTML, CSS, JavaScript, Bootstrap, Git, GitHub

- Developed three frontend projects (Music Player, Calculator, Image Gallery) with responsive layouts, interactive UI, and cross-browser compatibility.
- Built additional small projects like a bakery website and landing pages, focusing on clean, mobile-first design and performance optimization.
- Used Git/GitHub for version control and collaboration; all projects are consolidated in a single repository: [GitHub Repository](#).
- Applied modular, semantic HTML/CSS and JavaScript for dynamic content, improving maintainability and user experience.

Projects

Music Player Application | *HTML, CSS, JavaScript*

January 2026

- Responsive music player with audio controls, playlist management, and cross-browser compatibility.

Image Gallery | *HTML, CSS, JavaScript*

January 2026

- Interactive gallery with hover effects, filtering, and lightbox display.

Calculator Application | *HTML, CSS, JavaScript*

January 2026

- Functional calculator supporting basic arithmetic operations with responsive UI.

Additional Small Projects | *HTML, CSS, Javascript ,Bootstrap*

2025

- Developed small projects including a bakery website and landing pages focusing on responsive design and clean UI.

Awards & Certifications

- **Freelancing Certificate – DigiSkill (2024):** Completed practical freelancing projects.
- **Web Development – STEP, Sindh Agriculture University (2025):** Hands-on web development training.
- **Google AI Essentials – Coursera (2025):** Learned AI fundamentals.
- **Prompt Engineering – Coursera (2025):** Gained skills in AI prompt design.

Education

B.Sc. Information Technology

Currently 2nd Year

Sindh Agriculture University, Tando Jam
